

MOTO GUZZI *ALIDACE*

BORN BOLD

.....

This bike seizes the asphalt and reveals its charismatic personality in every detail to appeal to strong-willed bikers. No frills, an extended riding position, a drag-bar handlebar and muscular lines: this is a bike you ride on your own, where your imagination takes you, accompanied by the powerful roar of the engine.

NEW RIDING EXPERIENCE

A spirit that prefers dark rather than chrome mechanical details, with a lightweight front, circular headlamp and mudguard in carbon fibre, like the new fuel tank covers. The short exhaust, side panel with tail and the radiator grille put the bike's rugged nature into relief. The new handlebar, sporty footpegs and ergonomic saddle make for a truly hedonistic riding experience.
